# The Bible

The Bible is a treasure,  
more valuable than gold,  
And we gain treasure also,  
if we follow what we're told.

So be sure to read the Bible  
and learn from history past,  
Follow what is right and true  
and with God walk steadfast.

God's Word to me and you

B—B—Bible

Tells us what's right to do

God's Word provides a banquet  
with good food for the soul;  
Those who feast upon it  
will be healthy and quite whole.

The problem is that people  
tend to feast on what is bad;  
They don't read the Bible  
to learn what makes God glad.

The Bible is God's story;

it tells us what is true.

And when we read and study it,

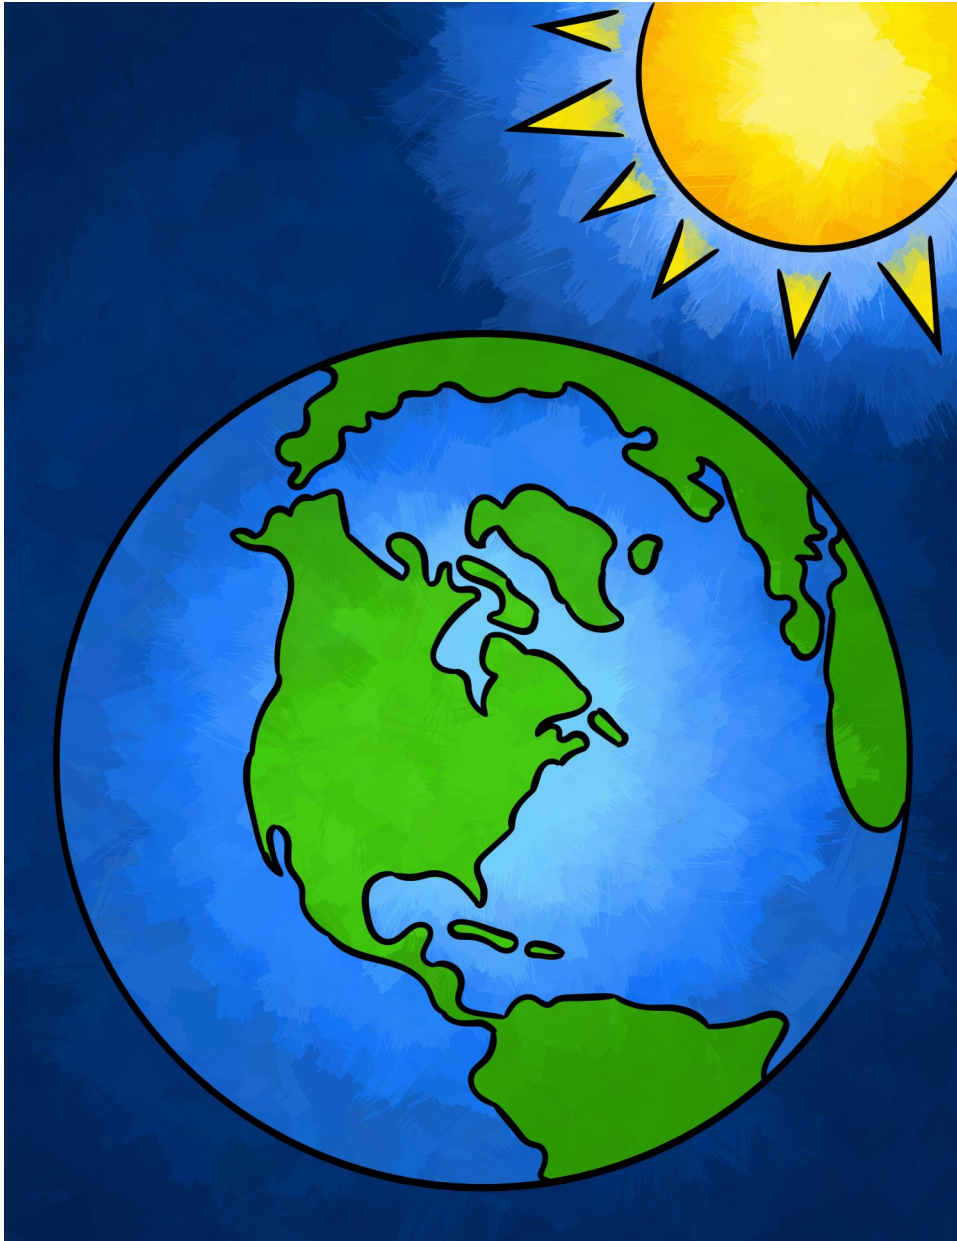

we know what's right to do.

Our lives will go quite well

if we do what God does say,

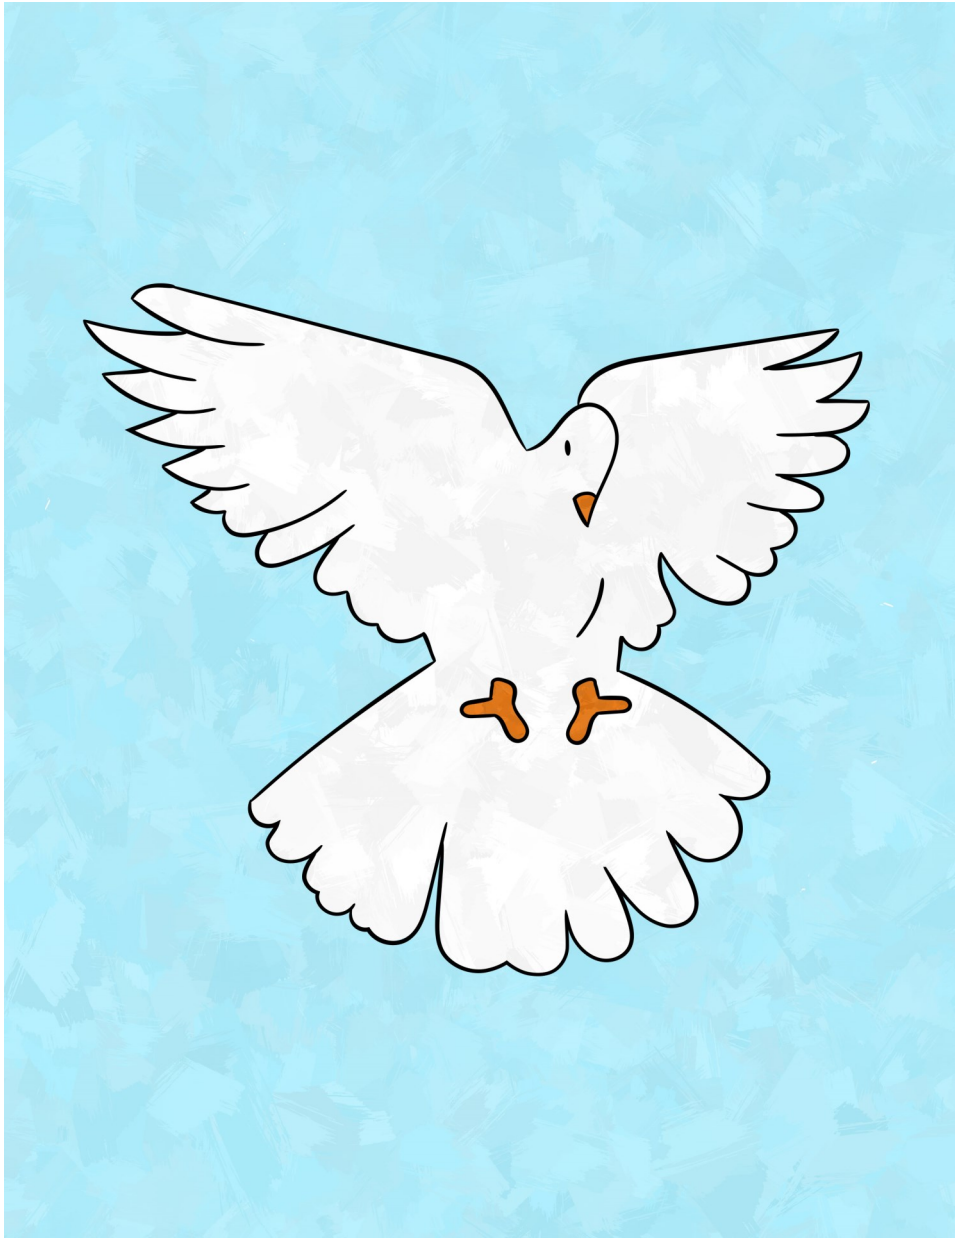

And so the Bible we should read

each and every day.

And of the Holy Spirit,  
the Bible teaches too,  
Because the Holy Spirit  
shows us what's right to do.

The Holy Spirit lives in us  
when in Jesus we do trust.  
Jesus left his Spirit here  
to always be with us.

The Bible tells us of the things  
our mighty God has done.  
It speaks of his creation,  
how he made the earth and sun.

God made man in his image  
to reflect on earth his love,  
And the Bible says to fear God  
as he watches from above.

The Bible also teaches us  
the things that Jesus said.  
It is the way the Gospel  
around the world has spread.

It tells about the miracles  
Jesus did on earth,  
And how the prophets from of old  
foretold the Savior's birth.

The Bible tells of people  
who lived very long ago;  
How they believed in God  
is something we should know.

It tells lots of stories  
of men and wrong they've done,  
So we understand why God  
sent to earth his Son.

In the Bible God lays out  
the path on which to walk,  
The way to live life rightly,  
and the way that we should talk.

There are proverbs in the Bible,  
which teach us to be wise.  
And psalms of praise that cause us,  
up to God to lift our eyes.
