## A-Z BIBLE SEARCH

# Eternal Life

Remember heaven's entered  
by believing in God's Son,  
And you can be with Jesus  
when your life on earth is done.

When you believe in Jesus  
and the things that God has said,  
Your soul lives on forever,  
even when your body's dead.

Life through God's own Son

E—E—Eternal

When life on earth is done

There are many people  
with great riches during life,  
Who fail to trust in Jesus  
and God's gift of afterlife.

Heaven they won't enter,  
God's invitation they reject.  
Cause to the Son of God  
they refuse to show respect.

God has given you a life;  
in a body you do live.  
But that's not the only life  
that God to you will give.

Each person is unique,  
'cause every person has a soul.  
To connect his soul to God  
should be each person's goal.

Some people suffer on this earth,  
their lives are really sad.  
Sometimes it's just the way things are,  
sometimes they choose what's bad.

Every person can have hope,  
through suf-fer-ing and pain.  
Cause when they go to heaven,  
they'll be where God does reign.

Physical is the life you live  
in your body on the earth.  
But spiritual is your life with God,  
which is of greater worth.

The body that is physical  
one day is sure to die.  
But the soul it is eternal,  
designed to live with God on high.

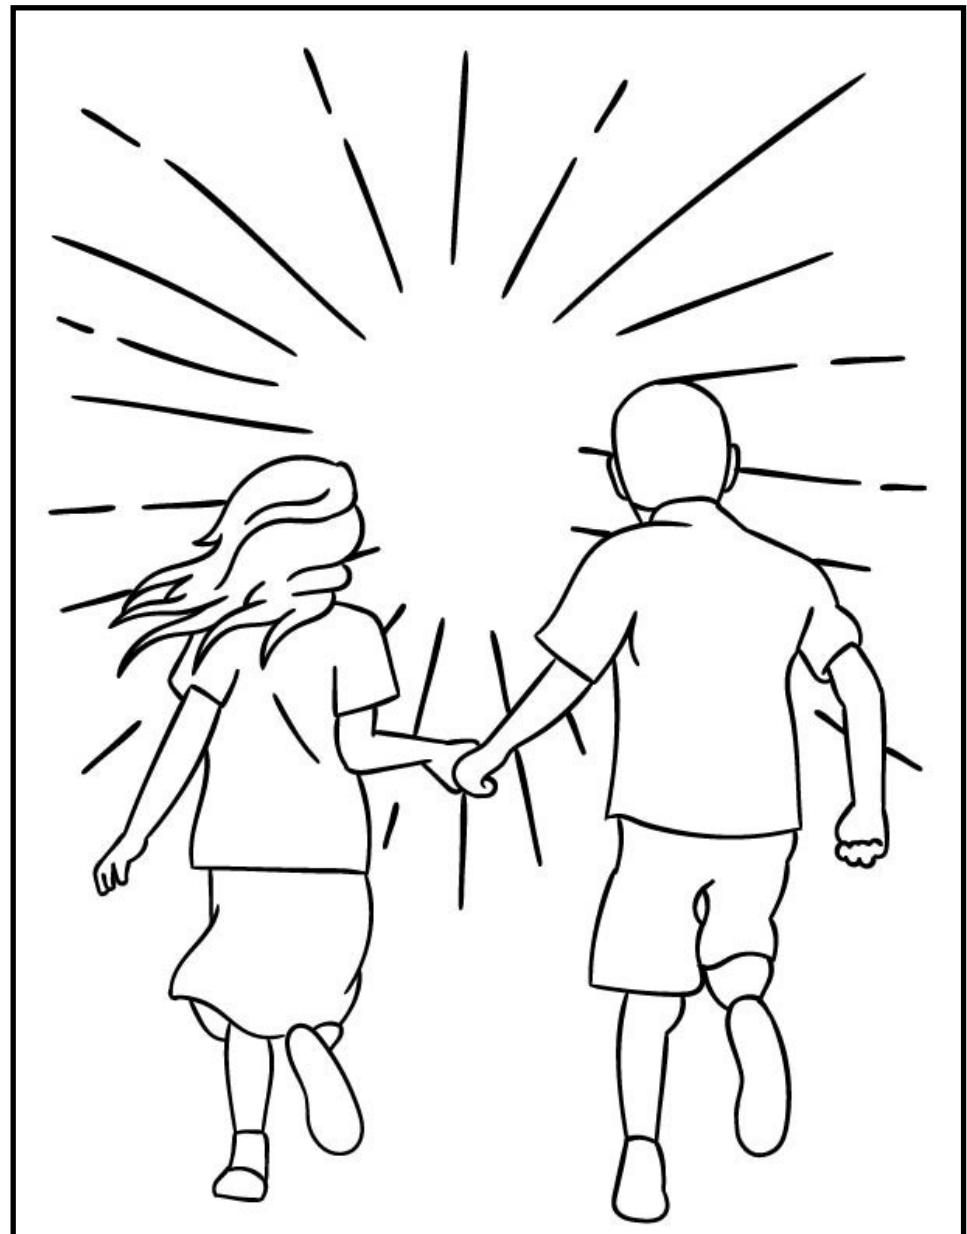

In heaven every person  
wants to do God's will,  
So no one ever does what's wrong,  
like lie or cheat or steal.

In heaven we store treasure  
when we do God's will on earth.  
The treasure stored in heaven  
forever will have worth.

Eternal means your soul lives on  
when your life on earth is done.  
Then you can enter heaven  
by believing in God's Son.

Jesus rose to heaven,  
with the Father he does dwell.  
To spend eternal life with Jesus  
will be something really swell.

Heaven is a perfect place  
where people never sin.  
If we're made clean by Jesus,  
heaven we can enter in.

In heaven there's no crying;  
there's always, only joy.  
The door can open to come in  
for every girl and boy.
