From A-Z I need to search  
all that's in God's Word,  
And then store up inside of me  
the truth that I have heard.

# God

Our God is full of goodness;

he's the great eternal one.

All that he has made

show the wonders he has done.

So you should come before your God

and to him humbly pray,

Thanking him for all he's done,

each and every day.

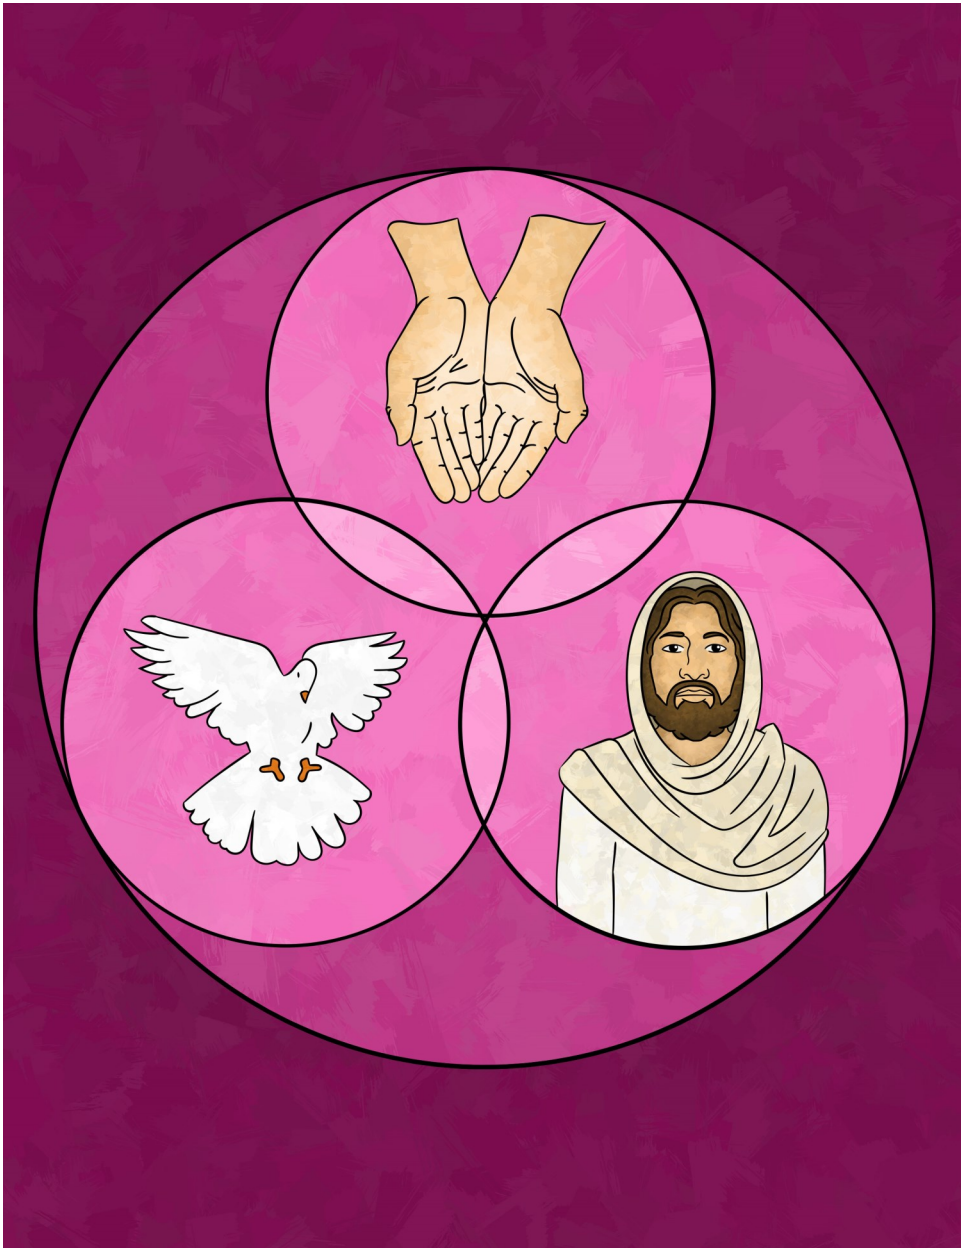

# Who is God?

G—G—God

There is only one

G—G—God

Father, Spirit, Son

Jesus wants us to come to him  
to show his love to us,  
And we can feel his love  
if in him we do trust.

Just like a loving shepherd  
he wraps us in his arm,  
And if we stay close to him  
he will keep us out of harm.

Our God he is eternal:

Father, Spirit, Son.

Although he is three persons,  
he is really only one.

Because God is a spirit,

his face we cannot see,

But we know that he is real  
by all he brought to be.

There is nothing hidden from him;  
God knows each thing we do.  
He knows when we are sleeping,  
and what we're dreaming, too.

On top of that he knows  
how many hairs are on your head.  
He remembers everything you do  
and everything you've said.

God's a very different being,  
in no way like a man.  
The world and every person  
were made by his great hand.

Beautiful describes the life  
God put upon the earth.  
We all are his and through him  
everything was given birth.

In the Bible we learn more  
of God's unending love,  
And how he keeps earth in his hands,  
watching from above.

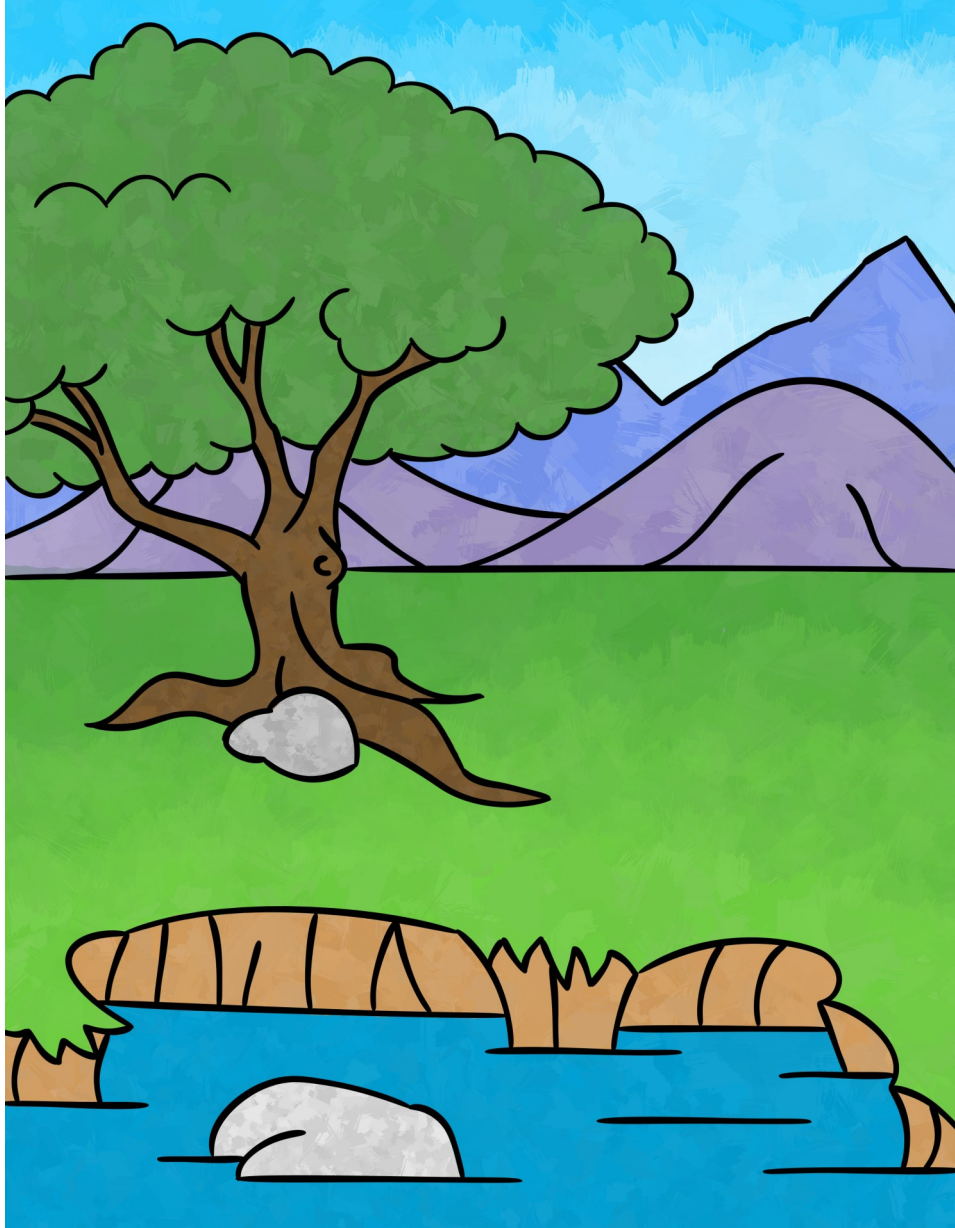

Omnipotent means that God  
has all power and all might,  
And because our God is holy  
he only does what's right.

Every living animal,  
every living tree,  
All the things around us,  
God caused them all to be.

Every human being  
is part of God's creation,  
Living round the world  
in every land and nation.

So when you look about  
at the beauty of the earth,  
Remember that through God  
everything was given birth.

Our God is full of goodness  
he's the great eternal one,  
And all that he created  
shows the wonders he has done.
