From A-Z I need to search
all that's in God's Word,
And then store up inside of me
the truth that I have heard.

Who is Jesus?

God's son	Put arms together like rocking a baby

Jesus

Jesus is our Savior,
and to God he points the way.
So give yourself to him,
to follow and obey

Know that Jesus loves you,
as he loves each girl and boy.
To let him live within your heart
is what will bring you joy.

Will come back again

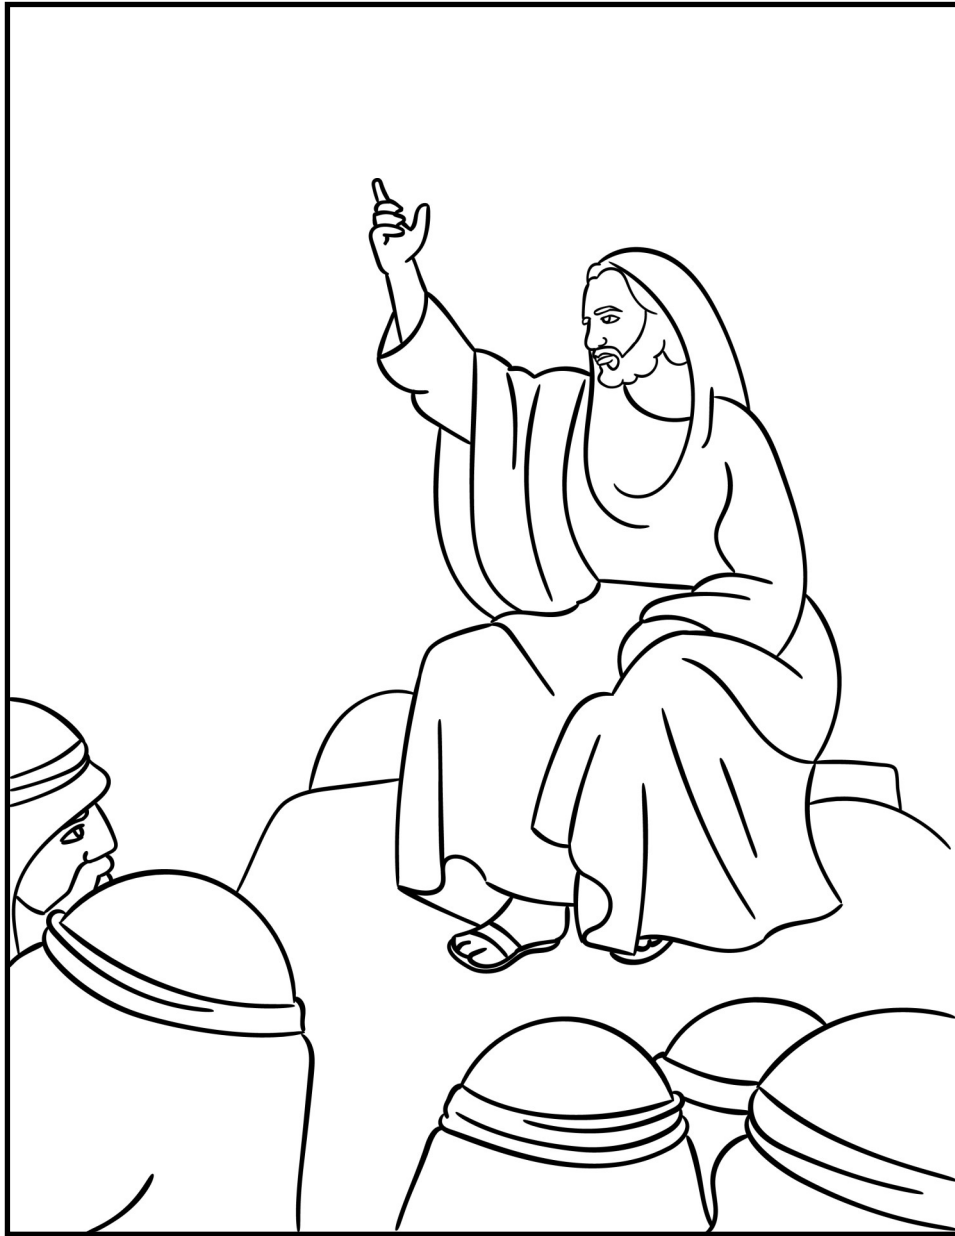

On earth one day he'll reign as king,
coming down upon a cloud.
Angels will accompany him
with trumpets blasting loud.

But now we know his eyes see all
and he grieves because of sin,
Waiting to make all things right
when he comes back again.

Jesus is God's Son,
and to God he points the way.
As a babe he came to earth
and in a manger lay.

The prophets from on old had said
that Christ would come to earth.
And that prophecy was fulfilled
through Jesus and his birth.

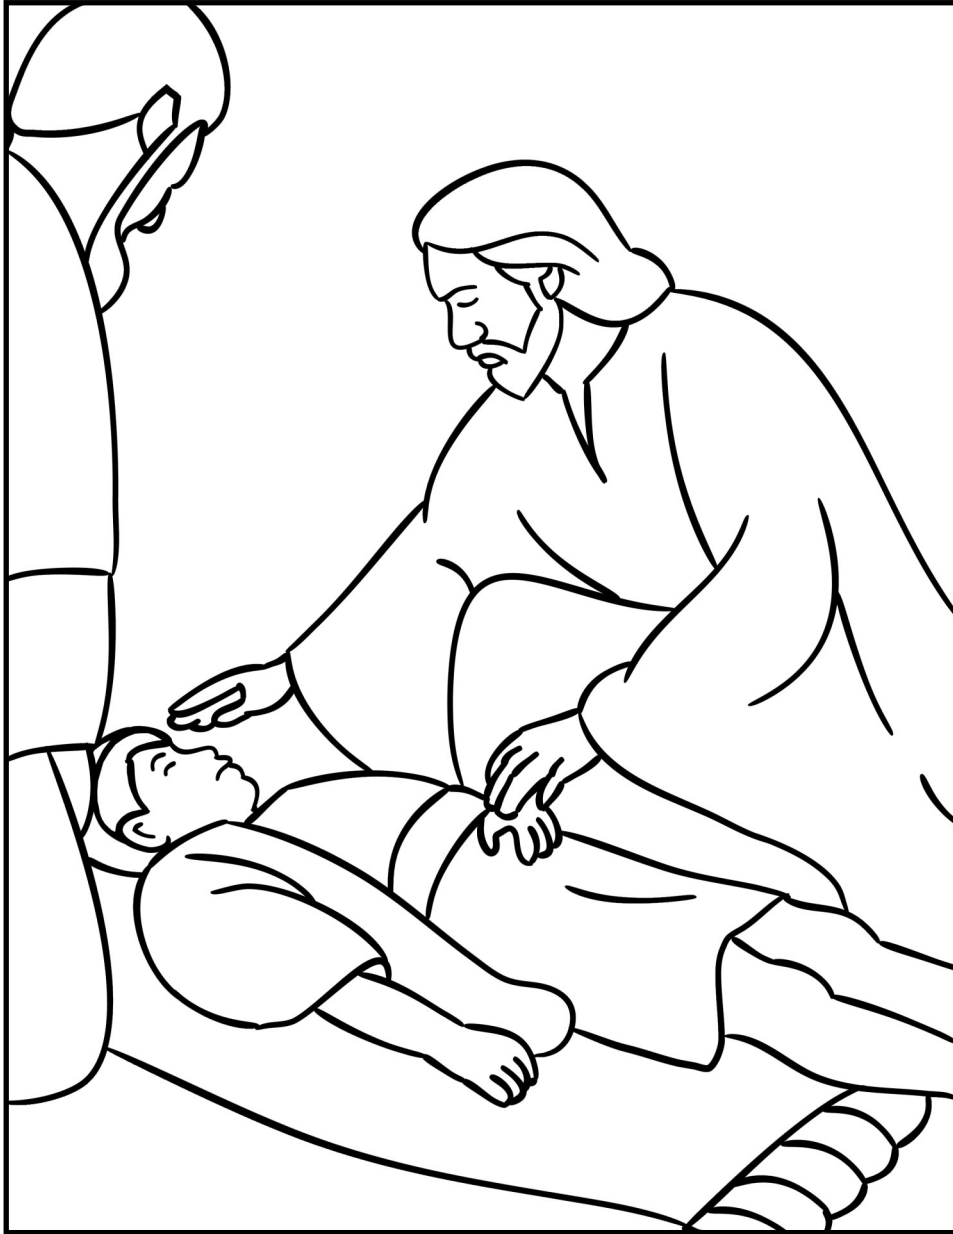

They laid his body in a tomb,
but he rose up from the grave,
Proving he is really God
and has the power to save.

Through his resurrection
he showed that he is real.
He overcame the power of death
and sinful hearts can heal.

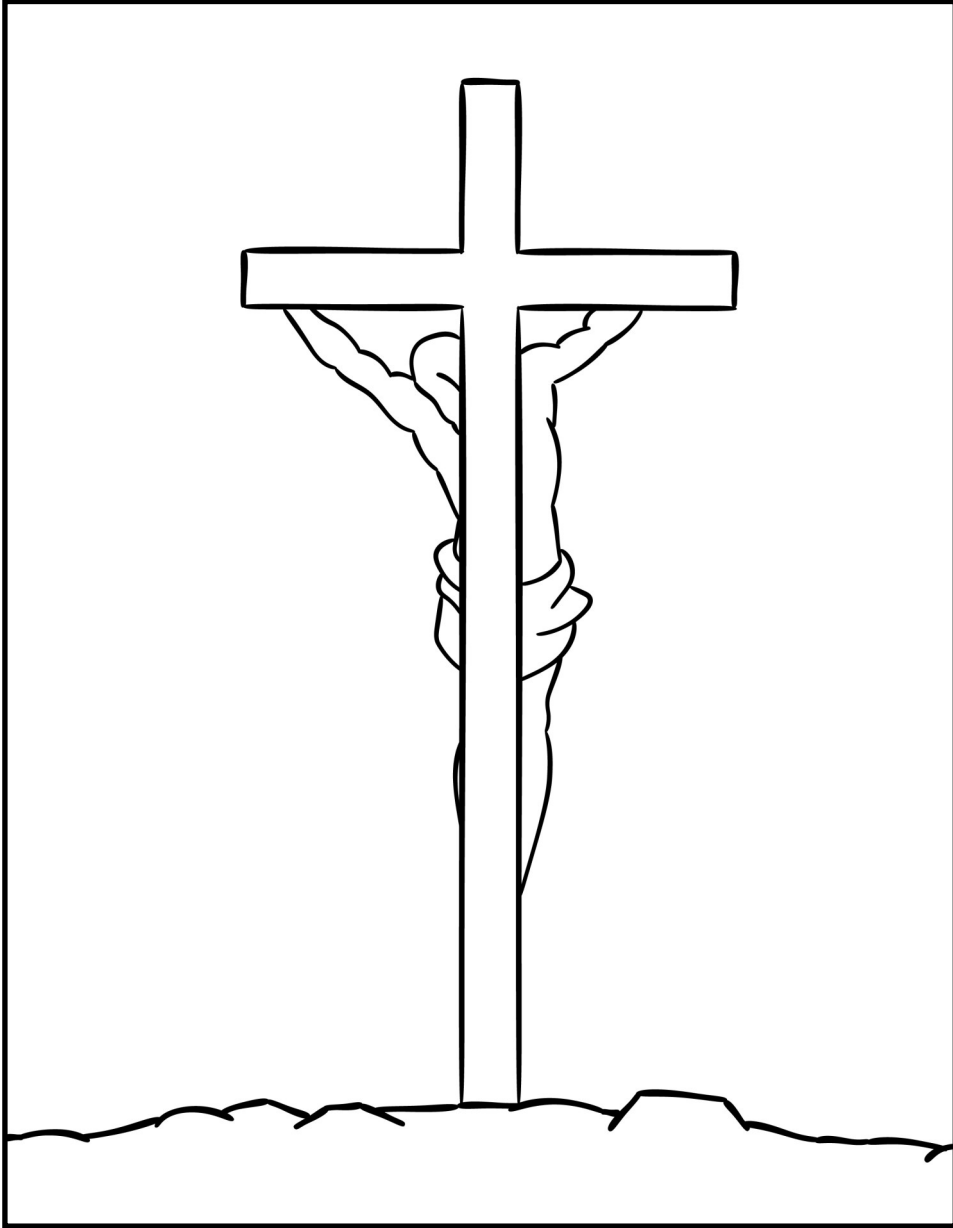

The Bible tells us what Christ said
so we can know what's true.
Because he led a sinless life,
we learn what's right to do.

Jesus never did what's wrong;
he always did what's right.
He always walked along God's path
of goodness, truth and light.

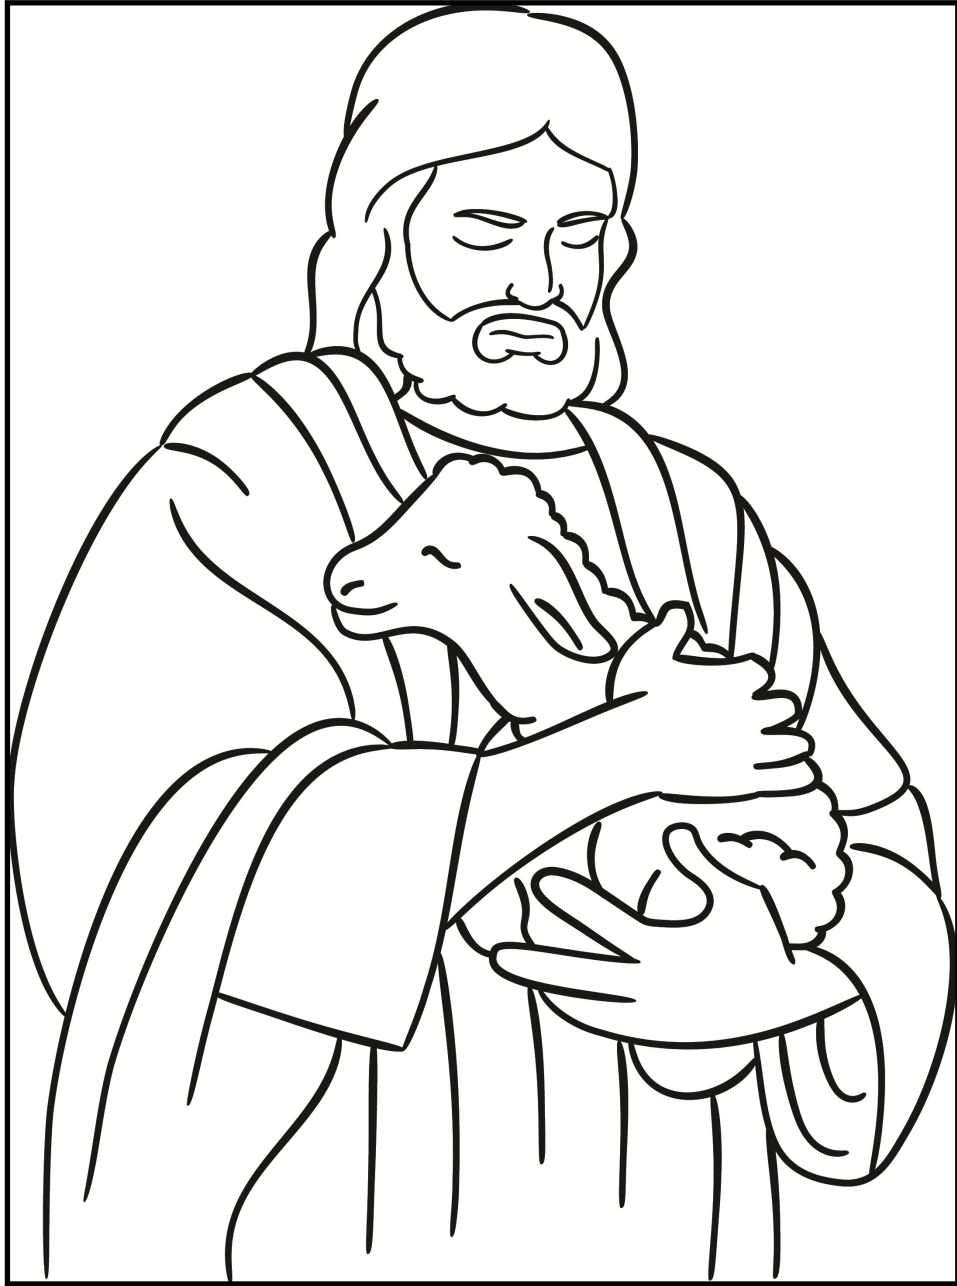

People should be punished
for the bad things that they've done,
But on the cross Christ died for us
and sin was overcome.

Being perfect Jesus paid
the price for all men's sin,
And now he stands at heaven's gate
so we can enter in.

The lame and blind would come to him
and with his hand he'd heal.
The miracles he did on earth
to show that God is real.

Acting in the Father's will
always filled his mind,
So to other people
he was compassionate and kind.

Christ is our loving shepherd,
and in his arms we rest.
His heart is full of love,
and he only wants what's best.

All of us are sinners,
we need forgiveness from above.
Jesus came to earth to share
the fullness of God's love.
