New Nature

We have to want to follow God,
to live in Jesus' light.
He will cleanse us from our sin,
so we can choose what's right.

So put your faith in Jesus
and follow what is true.
Let the Holy Spirit do his work,
making you completely new.

How are we made new?

N—N—New

Take off what is old

N—N—New

To Jesus then take hold

Jesus lived a perfect life
and died upon the cross.
He defeated sin,
so our old nature's not our boss.

If we trust in Jesus,
a new nature he does give.
Under the power of our sin,
we no longer have to live.

Each person has two natures,
one good the other bad;
Putting on the new
will make Christ Jesus glad.

New is when we function
in the way we should.
We turn away from bad
and follow what is good.

We set our mind on Jesus;
we love what he does love.
We do what honors him
and pleases God above.

We put to death bad thoughts,
and deeds that are not good.
We turn away from wrong
and do the things we should.

When we are first born,
our nature is the old.
That is why we must be taught
to do what we are told.

The old nature's full of sin
and doesn't want what's right.
The new belongs to Jesus
and reflects his love and light.

To clothe ourselves with Jesus,
we must take off what is old.
We can overcome our sin
when to Jesus we take hold.

Like a caterpillar is transformed
into a butterfly,
We are changed completely,
when to the old we die.

Jesus wants to change us.

He wants to take the old away,
He wants to make us new,
so him we will obey.

Jesus died upon the cross
to cleanse us from our sin,
We can be made new,
completely from within.

When you do what is wrong
and feel quite bad inside,
Remember that to make you new,
Jesus came and died.

The old nature must be put to death,
So the new will live and grow.
And as we choose to do what's right
our love for Christ will show.
