## A-Z BIBLE SEARCH

# Sin

God wants you to walk upon  
his path of truth and light,  
While Satan tempts you so you'll sin  
and choose what isn't right.

Remember to be mindful  
of which path you're walking on,  
And turn your back on Satan  
when you're tempted to do wrong.

Choosing what is bad

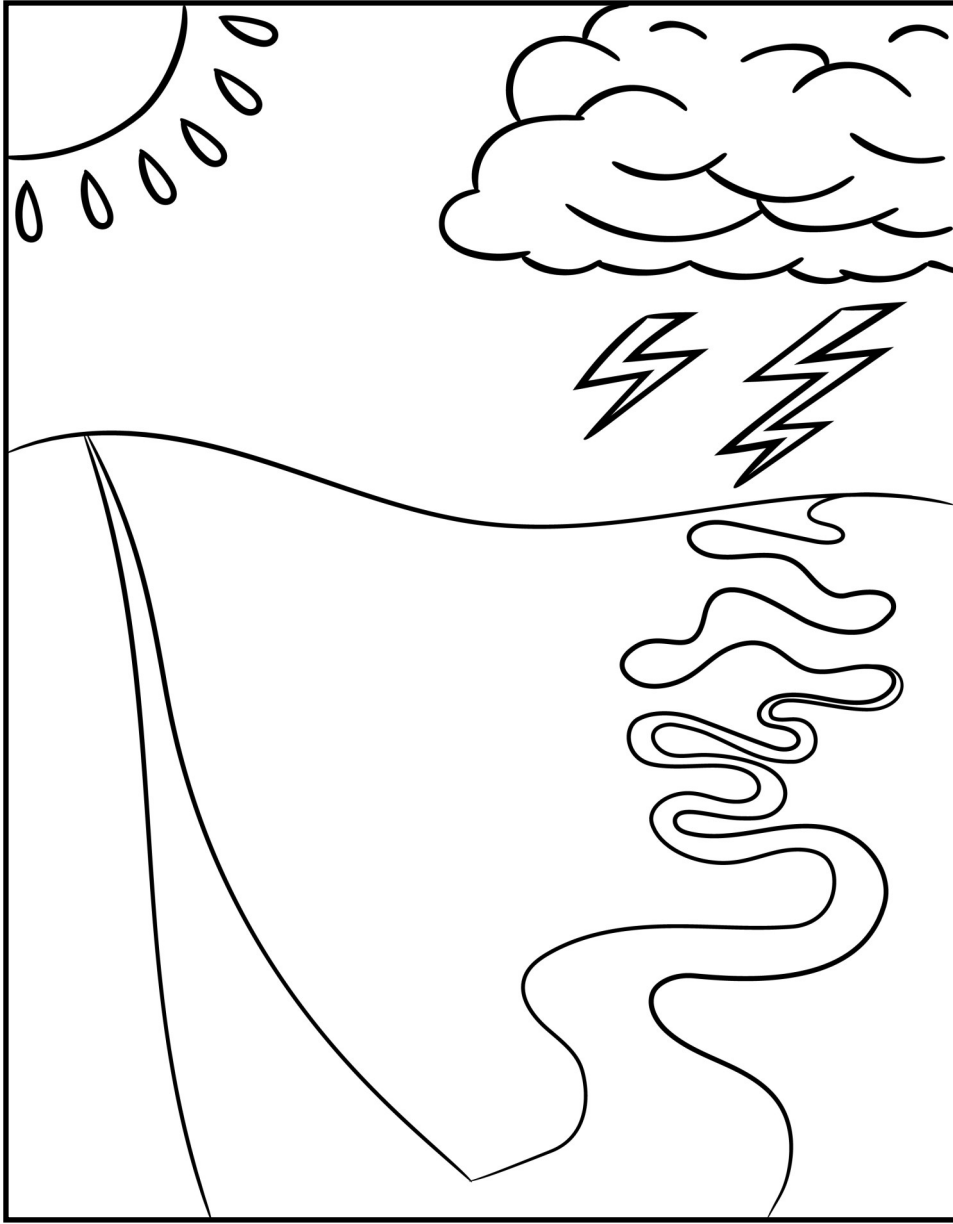

S—S—Sin

Makes God really sad

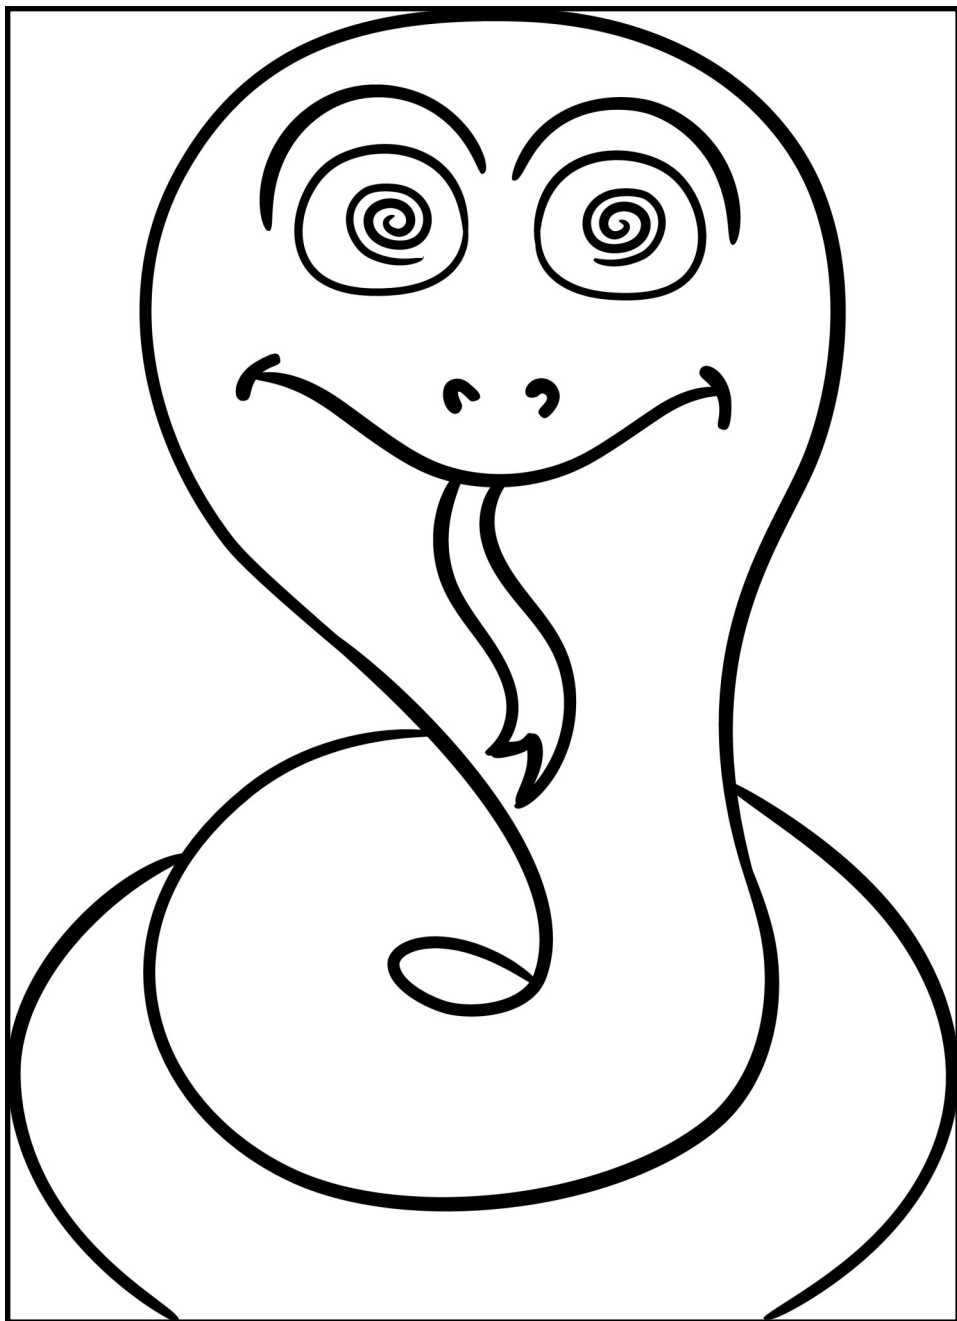

There are two paths and we do choose  
which one we want to follow.  
One will lead to what is good;  
the other leads to sorrow.

God's path leads us to treasure,  
joy and eternal life.  
While Satan's leads to death,  
misery, pain and strife.

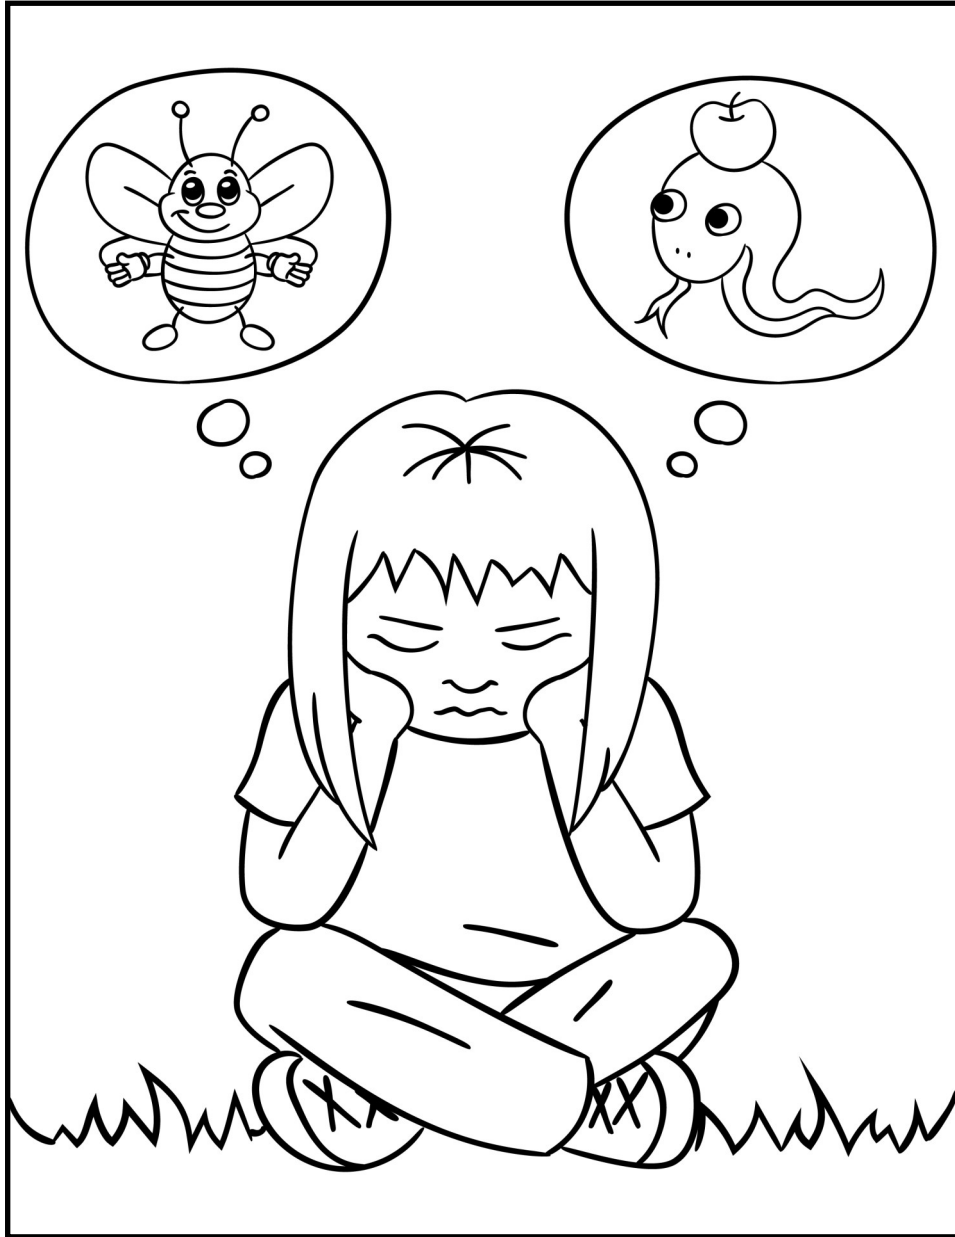

When God created Adam  
he made him very good.  
God wanted men to walk with him  
and live the way they should.

Adam's sin changed everything.  
It is called the Fall.  
That means most men don't follow God  
or listen to his call.

Be careful what you think about  
and what you do believe.  
Remember following Satan's lies  
will cause God's heart to grieve.

In your mind don't let wrong thoughts  
find a place to stay.  
Think about the things of God,  
so God you will obey.

Satan is God's enemy;  
he hates whatever's good.  
He tempts us to do what is wrong,  
not act the way we should.

In the Garden he appeared  
as a sneaky snake,  
Tempting Eve to eat the fruit  
and make a big mistake.

Jesus tells us to watch out,  
when Satan tempts what's wrong.  
We must humbly pray to God,  
not think we're standing strong.

On our own it can be hard  
to choose what's good and right.  
That is why we have to trust  
in Jesus' power and might.

Satan always wears disguises,  
he speaks lies to men,  
Getting them to think he's good  
and follow after him.

If we choose to follow Satan,  
we will end up sad,  
As following after what is wrong,  
always turns out bad.

The devil he still roams around,  
telling lies to everyone.  
He says that disobeying God  
will make our lives more fun.

If we listen to the devil,  
we will choose to sin.  
We will turn our back on God,  
and Satan will rush in.
