Wisdom

You must choose to think about
the things God says are true.
So your life will honor him
in what you say and do.

Every day think about
the thoughts inside your head.
Are they pleasing God
and a wise way to be led?

What is wisdom?

Knowing what is true

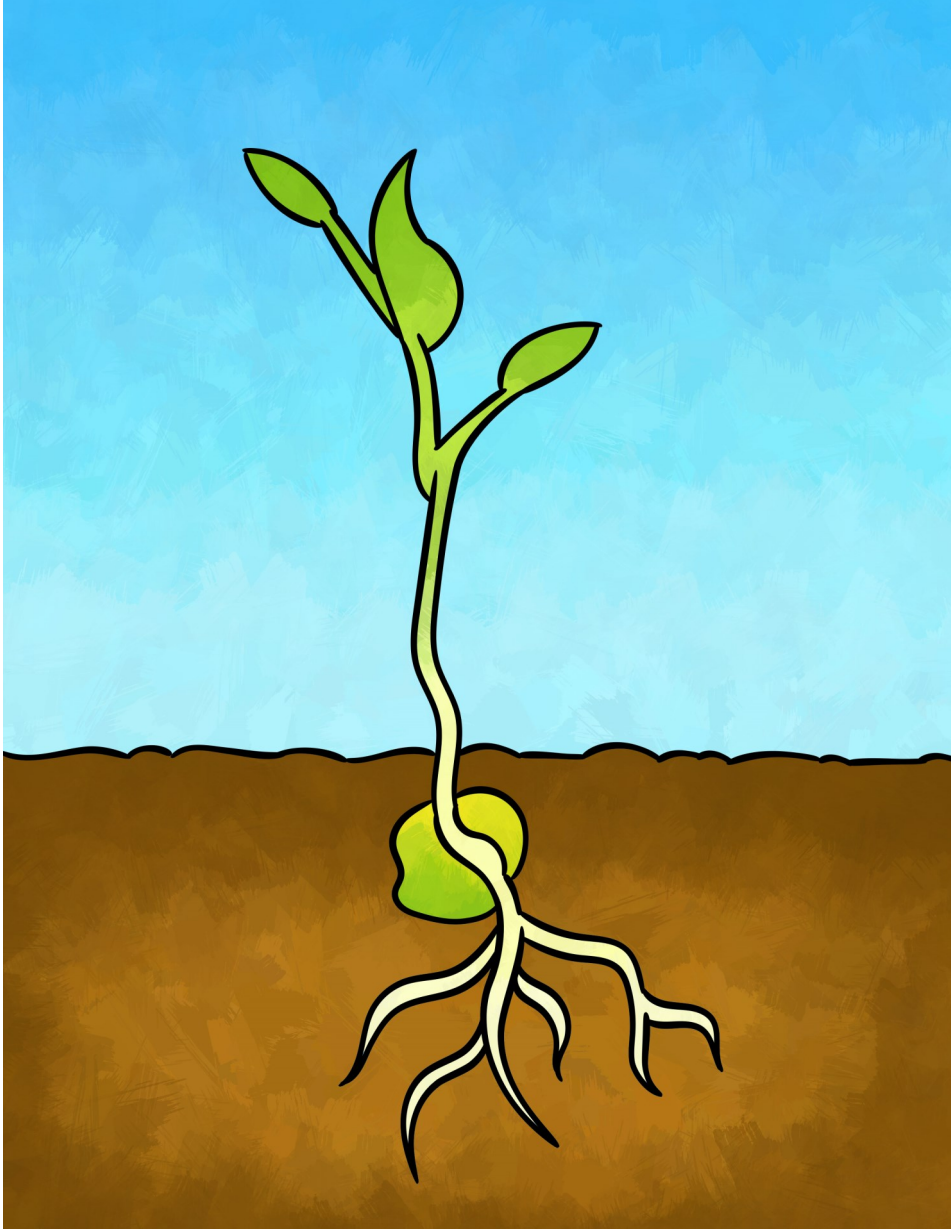

W—W—Wisdom

Being right in what we do

God says that if we look to him,
he'll give us what we need.
And his truth inside us
will be a living, growing seed.

The truth sprouts like a plant,
inside us it will grow.
And that we are quite wise,
the things we do will show.

God is the creator
of all that we can see.
That means he is the one who knows
the way things ought to be.

To follow in God's ways
is what will make us wise.
So to him for understanding
we should lift our eyes.

If you are content
and your actions are quite kind,
That shows the truth of God
you are holding in your mind.

But if you feel quite crummy
and want to do what's bad.
Then you are thinking thoughts
that make God really sad.

Wisdom only comes through knowing
what is good and true,
Through understanding how things work
and what is right to do.

That means we have to study,
both God's words and his deeds.
And we look to God for wisdom,
and to fulfill our needs.

The actions that we do
show the thoughts inside our head.
The thoughts we hold inside us
are the thoughts by which we're led.

So if we want to show God's love,
and follow what is right.
To God's eternal truth
we must hold really tight.

We examine God's creation
to see his majesty and might.
And we study his commands
to learn what's good and right.

We submit ourselves to God,
because he's the Lord of all.
To believe and follow after him
is our eternal call.

If we truly love the Lord,
we'll do what he does say.
We will keep his truth inside us,
and follow in his way.

In our mind we'll think about
his truth and what is good,
Then we will act upon it,
and do the things we should.
