## **Lesson Passage—Job 28:20,23-28**

<sup>20</sup> Where then does wisdom come from? Where does understanding dwell?

<sup>23</sup> God understands the way to it and he alone knows where it dwells, <sup>24</sup> for he views the ends of the earth and sees everything under the heavens. <sup>25</sup> When he established the force of the wind and measured out the waters, <sup>26</sup> when he made a decree for the rain and a path for the thunderstorm, <sup>27</sup> then he looked at wisdom and appraised it; he confirmed it and tested it. <sup>28</sup> And he said to man, "The fear of the Lord—that is wisdom, and to shun evil is understanding."

Through God's word we discover what is right and true.  
Then we live it out in all we say and do.

## Level 2—Parent Notes:

- **Daily Reading:** Read the entire booklet to the child. Go back to the appropriate day, reread the content and have the child answer questions about it from the **Daily Reading Questions** at the back of the booklet. Include personal ideas and additional questions. Read and discuss the daily Bible verse if appropriate for the child. Have the child draw a picture related to the content.
- **Lesson Rhyme:** Read the **Lesson Rhyme** on the next page, saying the sound of the letter instead of its name. Point to each word as you read it. Discuss the meaning of the rhyme. Have the child trace the letter with a finger and say its sound. Practice with the child the signs that go along with the **Lesson Rhyme** (included below). Review and repeat the rhyme every day.
- **Concluding Lesson:** Complete the activities under **Concluding Lesson** at the back of the book.
- **Completion:** If the student brings this booklet back to the teacher on Sunday, with each day's work completed and the lesson rhyme memorized, the student will receive acknowledgement of a job well done.
- **Way to go, parents!** Your faithfulness in teaching your children the deed and statutes of the Lord isn't always easy, but it honors God and will have an eternal impact. Keep up the good work! Remember Galatians 6:9, *Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.*

# #1

## What can we learn from the Bible?

L—L—Learn

To know all that's true

L—L—Learn

To be right in what we do

## Day 1

Draw a picture of a Bible.

The Bible is God's story,  
It tells us what is true.  
And when we read and study  
it we know what's right to do.  
Our lives will go quite well  
if we do what God does say,  
And so the Bible we should read  
each and every day.

## Day 6

Draw a picture of a treasure chest.

The Bible is a treasure,  
more valuable than gold,  
And we gain treasure also  
if we follow what we're told.  
So be sure to read the Bible  
and learn from history past.  
Follow what is right and true  
and with God walk steadfast.

Isaiah 40:28: Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom.

Colossians 1:9-10: For this reason, since the day we heard about you, we have not stopped praying for you and asking God to fill you with the knowledge of his will through all spiritual wisdom and understanding. And we pray this in order that you may live a life worthy of the Lord and may please him in every way; bearing fruit in every good work, growing in the knowledge of God.

## Day 5 Draw a picture of a path leading to a Bible.

In the Bible God lays out  
the path on which to go.  
The way to live life rightly,  
he wants us all to know.  
The problem is that people  
tend to follow what is bad.  
Reading through the Bible,  
we learn what makes God glad.

Colossians 3:16: Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God.

## Day 2 Draw a picture of the earth and sun.

The Bible tells us of the things  
our mighty God has done.  
It speaks of his creation,  
how he made the earth and sun.  
God made man in his image  
to reflect on earth his love.  
And the Bible says to fear God  
as he watches from above.

Job 28:20,23: Where then does wisdom come from? Where does understanding dwell? ... God understands the way to it and he alone knows where it dwells.

## Day 3

Draw a picture of a person from the Bible.

The Bible tells of people  
who lived very long ago.  
How they followed God  
is something we should know.  
It tells lots of stories  
of men and wrong they've done.  
So we understand why God  
had to send to earth his Son.

## Day 4

Draw a picture of Jesus.

The Bible tells us of the things  
that Jesus did and said.  
It is the way the Gospel  
around the world has spread.  
And of the Holy Spirit,  
the Bible teaches too.  
Because the Holy Spirit  
shows us what's right to do.

Job 9:9-10: He is the Maker of the Bear and Orion, the Pleiades and the constellations of the south. He performs wonders that cannot be fathomed, miracles that cannot be counted.

Psalms 119:9-10: How can a young man keep his way pure? By living according to your word. I seek you with all my heart; do not let me stray from your commands.
