LESSON CONTENT

Show the lesson picture. **(picture 1-1)**

Moses was a great prophet and taught the people about God. God gave Moses the Ten Commandments. Moses wrote the first five books of the Bible to tell us about God. The Bible tells about all the things God said and did. (Show a Bible.)

The first book in the Bible is Genesis. Genesis tells about everything that happened in the beginning when God created the world and people.

The Bible also teaches us about Jesus and the things people did long ago. From those stories, we learn how we should live and follow God. Learning from God and doing what he says will make us wise.
