

Say each letter sound and trace over the letters in the boxes. Which sound does the word kinds begin with?

Lesson Song

Oats, Peas, Beans, and Barley Grow

Chorus

Oats, peas, beans, and barley grow,
Oats, peas, beans, and barley grow,
Can you or I or anyone know
How oats, peas, beans, and barley grow?

Verse 1:

First the farmer sows his seed,
Stands erect and takes his ease,
He stamps his foot and claps his hands,
And turns around to view his lands.

Chorus then Verse 2:

Next the farmer waters the seed,
Stands erect and takes his ease,
He stamps his foot and claps his hands,
And turns around to view his lands.

Chorus then Verse 3:

Next the farmer hoes the weeds,
Stands erect and takes his ease,
He stamps his foot and claps his hands,
And turns around to view his lands.

Chorus then Verse 4:

Last the farmer harvests his seed,
Stands erect and takes his ease,
He stamps his foot and claps his hands,
And turns around to view his lands.

Chorus

LESSON 9

THIS WEEK'S BIG QUESTION

What does the fruit of a tree reveal?

LESSON RHYME

K—K—Kinds

God created plants to be

K—K—Kinds

Like grass and bush and tree

Each Plant After Its Own Kind

When God created plants he made all different kinds of plants to grow. He made it so each type of plant will reproduce the same kind of plant. You look at a plant and see what type of leaf it has and what type of fruit it produces. The characteristics that a plant has will tell you the type of plant.

The Bible says that you recognize a tree by its fruit. Just like you know that a tree is an apple tree because it produces apples, you can know if a person is good or bad by the things he does. If a person does good things that means he is producing good fruit. A person that does bad things produces bad fruit.

Draw a picture of different types of fruit.
