

Name the things in the boxes below.

## Concept

The earth

Circles around the Sun

Make a ball with both hands

Move earth in circle up and around head.

## Lesson Song – Twinkle, Twinkle Little Star

Twinkle, twinkle, little star,  
How I wonder what you are.  
Up above the world so high,  
Like a diamond in the sky.

Twinkle, twinkle, little star,  
How I wonder what you are!  
When the blazing sun is gone,  
When there's nothing he shines upon,  
Then you show your little light,  
Twinkle, twinkle, through the night.

Twinkle, twinkle, little star,  
How I wonder what you are!  
In the dark blue sky so deep  
Through my curtains often peep  
For you never close your eyes  
Till the morning sun does rise

Twinkle, twinkle, little star  
How I wonder what you are  
Twinkle, twinkle, little star  
How I wonder what you are

## NURSERY LEVEL 1 CLASS NOTES

### LESSON 11

CREATION AND THE BEGINNING OF HUMAN HISTORY

### THIS WEEK'S BIG QUESTION

Why can all people know God through his creation?

### LESSON CONCEPT

The earth circles around the sun.

# #11 - The Design of the Solar System
