

**Why do we go to church on Sunday?**

Page 2

On the seventh day God rested  
as all his work was done.

Everything was put in place,  
the earth, the stars, the sun.

Through this God did establish  
a week with seven days.

With the seventh day a Sabbath  
to fill with worship and God's praise.

Page 3

God set aside the Sabbath day  
as a day of rest.

He always knows what's needed  
and for us he wants the best.

He commanded us to work real hard  
six days every week.

And on the seventh day of rest,  
him we are to seek.

Page 4

God knows we need to take a break  
from the work we do.

A day to go to church  
and learn about what's true.

So each and every Sunday  
to church we gladly go.

That we love and honor God  
through our worship we do show.

Page 5

The work that's done on other days  
on Sunday's put aside.

And we set our mind on Jesus  
so with him we abide.

We focus on the Lord our God  
in heaven up above,

And the goodness of creation  
and his abundant love.

God has given us the Sabbath  
as a day of rest.

He always knows what's needed  
and for us he wants the best.

Six days you should work real hard  
in everything you do.

And on Sunday go to church  
to give God the honor he is due.

Page 1

In six days God created  
the things he said were good.

Good is when things function  
in the way God says they should.

God worked very hard  
in making things to be.

As he created earth and sky  
and everything we see.
