The Garden of Eden

The Garden of Eden was a beautiful place God made for man to live in. God put everything in the garden that Adam needed for a good life.

God is like a good shepherd who takes care of his sheep and leads them to good places. We should be like sheep and follow after God. If we do God will provide what we need like he did for Adam in the garden.

Draw pictures below of things that would have been found in the Garden of Eden.
