NURSERY CONCEPT

Children are to honor their parents.

LESSON CONTENT

Explanation:(picture 33-1) This is a picture of a vineyard. Grapes grow on the vines in a vineyard. Noah was a farmer and after the flood he planted a vineyard. From the grapes he grew he made some wine. The Bible says that it's okay for adults to drink a little wine but they shouldn't drink so much as to get drunk. When people get drunk they tend to do and say things they shouldn't.

When Noah got drunk he fell asleep in his tent without any clothes on. His youngest son Ham saw him naked and then went out and told his brothers what he saw. Ham dishonored his father because he was telling others what his father did wrong. The Bible tells children to honor their parents. That means children are to listen to their parents and do what they say. God is pleased when children obey their parents.

Noah's other sons, Shem and Japheth, showed honor to Noah. They picked up something to cover their father with and then walked backwards into the tent so they didn't look at him. Both God and Noah were pleased with their actions but they weren't happy with what Ham had done.
