**How should children honor their parents?**

Page 2

God commands the parents

to teach his laws and deeds.

As children put their trust in God,

he will meet their needs.

Our greatest need is to love God

and to walk his way.

And children learn to do this

as their parents they obey.

Page 3

When children honor parents,

life goes really well.

Cause when we do what's right,

God with us will dwell.

So remember to do good

and your parents to obey.

Submit to them and honor them

each and every day.

Page 4

When you respect your parents  
happy God you make.

And you will keep from making  
many a mistake.

So do not be rebellious  
and follow your own way.

But please the Lord your God,  
by obeying what they say.

Page 5

Parents are much wiser.

They know what's right and good.

So follow what they say

and act the way you should.

Be sure to obey them,

the first time you are told.

Honoring them brings treasure

more valuable than gold.

Page 6

Thank God for your family

and the home where you do live.

Be sure to thank your parents

for all that they do give.

And make your parents happy

by choosing to do right.

Obeying their instructions

and walking in God's light.

God gives children parents  
to help them learn and grow.

Honor to their parents

to submit to God above

So their children follow God
