# Joseph and his Brothers

The famine was very bad in the land so Joseph's brothers had to go to Egypt to buy food. They didn't know it was Joseph who ruled in Egypt. Joseph finally told his brothers who he was. Joseph's brothers were afraid that Joseph would pay them back because they had treated him badly and sold him as a slave.

Joseph forgave his brothers for what they did and told them it was God's plan for him to be in Egypt. God had sent Joseph to Egypt so that there would be food for his family during the famine and they would be kept alive.

Trace around the triangles to make an Egyptian pyramid.
