

Why do we need to study God's Word?

Page 2

God's word is like a banquet,
with good food for the soul.

And if you feast upon it
you'll be healthy and quite whole.

But if you do not eat
from God's Word every day,
You will follow what is wrong
and from God's path will stray.

The Bible's full of praise to God
to lift our spirits high.

The Bible brings us comfort,
when we want to cry.

It shows us God is faithful.

He will never let us down.

And it shows that through Christ Jesus,
salvation can be found.

The Bible tells us also

that Jesus will come back.

We need to read the Bible

to stay on the right track.

If we don't remember

the things we are to do,

We will follow worldly ways

instead of what is true.

A lot of things can keep you
from doing what is right.

So you must be quite careful
to keep God's way in sight.

You must be sure to guard your heart,
keep God's Word in your head.

So you read and think about
the good things God has said.

We need to listen carefully
to what God has to say.

Feasting on his Word
each and every day.

God wants to give us what is good.

He wants life to go well.

We know that God is faithful
and his word will never fail.

God has given us his Word

to teach us what is right.

The Bible leads us on a path

of goodness, truth and light.

Your life will go quite well

if you do what God does say.

And so his Word you should read

each and every day.
