How can you grow to be like Jesus?

Page 2

Jesus wanted what was right
and on God's word he fed.

So he grew in understanding
and by God's truth was led.

God's statutes in the Bible,
are always, only true.

Jesus followed all of them
in what he would say and do.

Page 3

You can grow to be like Jesus
and honor God above.

If you follow what is true
and obey him out of love.

Jesus knows that life is hard.

He was completely man.

He had to learn and grow like you.

It was God's perfect plan.

Page 4

In his heart he only wanted

that the Father's will be done.

And by clinging to the Father,

Temptation he would overcome.

People marveled at his knowledge

and all he understood.

He showed them by his actions

that his heart was clean and good.

Page 5

In Jerusalem at the feast,

He was left behind.

His parents were quite worried

when their son they couldn't find.

After three days they did find him,

in the temple there he was.

He was asking questions

and the priests were all abuzz.

Page 6

The priests wondered how a boy
so much understood.

And why the things he said and did
were always true and good.

If you want to grow like Jesus,
with your mind you have to learn.

You must give your heart to God,
and away from evil turn.

Page 1

Jesus is completely God

but was also fully man.

That he would learn and grow like you

was God's perfect plan.

As a boy he had to study

and from his parents learn.

He had to choose to do what's right

and from temptation turn.

How can you grow to be like Jesus?
