

### **The Candy Cane**

The candy cane can represent  
The gracious gift the Father sent.  
The loving Shepherd sent to lead,  
His crooked staff we are to heed.

Pure and sinless, full of light;  
His life it was a pristine white.  
His blood, spilled out the color red,  
Wipes out the sin t' would leave us dead.

Jesus our Lord bore our suffering and shame;  
The "J" representing a most precious name.  
Reflect on all his coming meant,  
As you enjoy the tasty peppermint.
